

Position Responsibilities

- ***Promote Collaboration with the WWU College of their constituency by:***

- Overseeing the execution of groups whose membership includes the aforementioned constituency and University Dean whose charge includes providing students of the aforementioned constituency a platform to investigate college and University events and bring attention their concerns and comments directly to the aforementioned University Dean.

The ASWWU Student Senator will fulfil this role by:

- Taking part in efforts to encourage the participation of their constituency in the/these group(s) including recruiting and maintaining membership.
- Provide feedback to constituency members that will promote productive functioning of the group(s).
- Participate in these groups in their capacity as an ASWWU Student Senator or as directed by the Charge & Charter and perform any responsibilities directed by the Charge & Charter.

As of the 2018/19 Academic year, these groups include the following:

- Departmental Student Ambassadors for the College of Science & Engineering
