These salaries were allocated within the individual operating budgets in years past, thus the corresponding budgets have decreased by the respectable amounts. Please note a slight increase in salaries may be present due to the new salary schedule.

FXXASP - AS Productions Admin -13% increase from \$67,728 to \$76,764 due to new salary schedule, Hourly Wage for Production Assistant positions and 30 hours of paid planning time during the summer for Films, Underground Coffee House, and Special Events

Allocation Decreases

FXXBSM - Board Summer Program - 85% decrease from \$17,023 to \$2,630 - I am not sure yet as to the reason this figure has decreased but the operating budget is the same as last year. Initial thoughts are that a salary amount was allocated within the excel sheets last year by mistake. I am going to look into it further but I believe the \$2,630 to be accurate to the best of my knowledge at this point.

FXXECA - Environmental Center Admin - 66% decrease from \$18,725 to \$6,405 - the salary allocation was moved to **FXXEVS - Environmental and Sustainability Programs Admin** budget

FXXOUT- The Outback - 65% decrease from \$7,939 to \$2,750 - the salary allocation was moved to **FXXEVS - Environmental and Sustainability Program Admin** budget. Please note that the operating budget was increased from \$1,030 to \$2,750 to support programming.
