The Student Technology Fee is quarterly fee that provides students with adequate technology experiences by enhancing the quality of academics through the use of technology, providing additional student access to technological resources and equipment, and increasing the integration of technology into the curriculum. The STF is dedicated to the following purposes:

- Computer Lab Renewal and Replacement
- Student Technology Center
- Wireless Network Renewal and Replacement
- Student Technology Proposal Fund

Next Spring, the STF will be voted for renewal by the student body. What are your experiences with the STF? Do you utilize any of the services provided by it? What services would you like to see broaden or provided by the fee?"
