**Re:** Issue of the Quarter/Outreach Event Idea  
**Date:** October 30, 2012

In place of a Fall Issue of the Quarter event, I would like to move to spend our time outreaching and soliciting ideas for future issues that are important to students. By replacing this event with outreach, we will maximize our efforts in outreach and make our body more visible as a resource and acting senate. This in turn will make us more accessible to student voice and issues, which will make us more valuable as representatives.
