

Proposed Motion: To approve the transfer of **\$965** for the appointment of Caitlin Huntsman to the newly approved Vote Staff Position from the AS Operational Enhancement Fund to the Representation and Engagement Administration Budget.

Sponsor: VP Bus Ops representing Personnel Committee

Persons of Contact: Caitlin Huntsman, REP Associate Director, Personnel Director

Guest Speaker: Caitlin Huntsman

Date: January 2013

Personnel Committee voted and approved of this proposal on 12/4/12. This proposal has three requests.

- I. Approve of the Position "AS Vote Staff"
- II. Approve of the funding for this hourly position.
- III. Appoint Caitlin Huntsman (this year's Voter Education & Registration Coordinator) to the position.

I. Approve of the Position "AS Vote Staff"

Context: During the course of Caitlin's time as Coordinator, she reached great milestones (record registrations etc.). But there was not enough time allotted in her hours to document procedure so that future coordinators could build off this success. Personnel Committee found it vital to have this position to build & solidify relationships, and create lasting procedures. This position only exists until the end of this year. The job description approved by the group is attached.

Minutes from the Personnel Committee are on the following page. It should be noted that this item was heard and approved in the same meeting.

II. Approve of the funding for this hourly position.

Fiscally: The job description states this position will work up to 100 hours, averaging 5 hours per week. This position is Program Support Staff 2 which earns \$9.19 per hour. My recommendation is to pay this from Operational Enhancement because it fits its written purpose to improve this program.

"Operating Enhancement: Increase of \$10,000 - restored after being eliminated in FY '12 budgeting process. Recommended that this budget be used instead of utilizing reserves to supplement AS program requests. "

-from FY'12-'13 Budget Allocation Report

9.19 x 100 + 5% (cushion for benefits) = Approximately \$965

Current Balance of Operational Enhancement Fund (FXXENH)

Expenses:	AS Committee Orientation Catering	\$750
	ACU Conference transfer	\$893
	Program Saturation hours	\$122
	Outback Apprentices Wage	\$650
	Total	\$2415 of 10,000

There is approximately \$7,585 left for the remainder of the year.

III. Appoint Caitlin Huntsman (this year's Voter Education & Registration Coordinator) to the position.

Reasoning: Caitlin was the Voter Education & Registration Coordinator for this year. Her experience, knowledge and relationships are key to the success and implementation of this position. Her work will be valuable to the program for future years.

Meeting Minutes from Dec. 4th Personnel Committee Meeting

A. Vote Institutionalization Coordinator

This job description would extend the Voter Registration position to make it an hourly position for Winter and Spring in order to institutionalize voter registration to make the process easier in the future. The institution is ready to work on making registration drives institutional. This position would be only for this year. This position would not help with the Water Bottle Initiative. McCardle agrees with creating this position because it creates institutionalization and continuity. It cost a lot of hours to not have Voter Registration Drives institutionalized because time was spent trying to create connections to various places on campus which took away time from registering students. Crowther said there were some changes that need to be changed in the job description to make it clearer. McCardle said the funding for their salary would need to be passed by the board because the extension of this position was not included in the REP budget. Rosenberg said there were potentially three proposals sent to the AS Board: the creation of this position, the appointment of Cait Huntsman to this position, and approval for funding for her salary. This would be classified as "Program Support Staff 3" which would pay the person minimum wage of \$9.19 an hour starting in 2013. Le will bring this to the board in the form of a memo. Le said this would not be able to be implemented until midway through January due to the process of passing it through the AS Board. 100 hours of work per quarter was the best guess of how much work was needed to be done. McCardle said there is no quantitative end goal for this position. Rosenberg suggested there be language to say that this position come back and help train the new REP director on what they did. Savinski was concerned that 100 hours was not enough. Rosenberg suggested the hours be stated as "an average of 10 hours a week." McCardle said if there is noticeable improvement then the position was successful. The goal is to have tangible agreements with different areas of campus or have documents detailing how to get to that point. Since this position is in the REP there would be a degree of accountability from the supervisor. Rosenberg recommended adding "policies, procedures, resources, and build relationships" to the suggested outcomes of this position. There was concern with the name of this position to make it sound more clear and punchy. Nanivadekar would like to see more opportunities to evaluate this job.
