Event Overview

Description for event and/or biography of speaker, performer etc.

This year, the Nation selected 'The Fifth Sunset, the Sixth Sunrise' to be our Conference Theme. To identify and confront inconsistencies within our nation, our regions, our chapters, and ourselves. To recognize the commitments one makes when identifying as a MEChistA and hold ourselves accountable to ensure our philosophy, los planes, advocacy agendas, resolutions and endorsements do not come to occupy a silent stage. The time has come for we, as MEChistAs, to acknowledge that La Raza and the movement is evolving and growing in consciousness. The time has come for we, as MEChistAs, to rise like the sixth sun, bringing light to a shadowed Chicano Movement. MEChistAs from across the Nation will be coming down to San Diego, CA to participate in day long activities that are meant to empower, challenge, influence, spread knowledge, and grow as MEChistAs. We will be providing Speakers, Entertainment, Food, Art, Danza Azteca, Spoken Word, Giveaways, Caucuses, Discussions and Various breakout sessions.

Past attendance records, if available, and/or success of similar events on other campuses

This is the 20th annual National MEChA Conference, each year a minimum of 100 students travel to the location of nationals from all over the United States.

The benefit that will be given to the student body, and how it fits within the mission statement and goals of the Ethnic Student Center and Associated Students

Our goal is to help students Affirm their identity, Build a sense of community, and Cultivate leadership (Our 'ABCs'). The ESC is a community that supports historically underrepresented ethnic students and allies by providing a social atmosphere and inclusive environment where we engage in identity exploration and strive for cultural awareness and academic excellence.' There are many ethnic clubs that assist students in transitioning to Western, developing cultural identity, providing a sense of community, and being active in social justice.' Being an intern for the ESC and going to Nationals as the co-chair of MEChA, the intern, and overall representing Western Washington University at the national level, I can bring back knowledge of what other colleges are doing to better themselves in a social justice light.

Publicity and promotion plan

I plan to drive down and have promoted this within MEChA, a minimum of 5 students will be supporting | WWU MEChA at Nationals. |
