Background & Context

Each year, all chargers and charters are updated by their respective Vice Presidents.

Summary of Proposal

All Charges & Charters have been updated to reflect the date "July 2013". Other changes are noted below. After this was presented as an information item, I went back to the respective parties to hear feedback and made changes accordingly.

Doc 3. Facilities & Services language addition under Charge:

- Prioritizing projects requested from the Associated Students to the Director of VU Facilities.
* Reworded the above charge to more understandable language.

Additionally, added a clause under the last charge to expedite the approval process of very small expenditures out of FXXGRR. 3rd. Removed Student Senator from membership. Finally, changed language under quorum from "When not in academic session" to "During the summer," to more clearly define when this clause was designed for.

Doc 4. Personnel Committee - Change membership to include VP Diversity instead of designee due to change in VP Diversity job description this past spring to include this committee in their committee responsibilities. After consultation with the Personnel Director & Adviser, the charge was revised to more clearly articulate the responsibilities of the committee. Additionally, a section under Quorum was added so that the committee could meet during the summer.

Doc 5. Management Council - Change "intent" to "purpose" under Charge. Remove AS Assessment Associate Director due to the office being removed and the position changed to Coordinator level position. The coordinator can attend as guest speaker as needed.

Doc 6. Business Committee - No Changes other than date. Added a charge to Business Committee to explicitly state that the Business Committee plans the BudRet Process.

Doc 7. Budget Committee - No Changes other than date.

Doc 8. Structure and Program Advisory Committee - No Changes other than date.

Rationale

The purpose of updating the charges and charters is to ensure that are being evaluated on a yearly basis to continue serving students.
