### Background & Context

This event was proposed by Eric Alexander to acknowledge the transition between the outgoing and incoming AS Board of Directors and honor both parties. This would be a formal event for students at large, families, and community members to celebrate the great accomplishments of the outgoing Board and welcome the incoming Board. This event would hopefully increase student engagement and awareness of the AS Board of Directors and the AS and give acknowledgement of the leadership.

### Summary of Proposal

The event is on June 3<sup>rd</sup> from 4-5pm in the MRP. This proposal is for the event services costs for the event. Food will be from the Leadership Fund and Publicity Center costs will come from the AS Communication’s office budget. It will cost approximately \$78 for set up and take down of the event and \$78 for sound and lights for the event.

### Fiscal Impacts

*NTE \$200 from Operating and Enhancement Fund for event services. This budget currently has \$\_ in the budget.*

### Rationale

*This is the first year this event is happening and the hope is this event becomes an annual event to get students more engaged in the AS and the student government. It will also be a chance for the community to celebrate the newly elected and those who have been serving the students all year long.*
