

### Role of the Council

To summarize the charge of the council, we will mainly do three things this year:

- 1) Regarding any facility related matter, we will make recommendations to the Director of Viking Union Facilities, Jim Schuster.

- 2) Regarding programmatic matters, this group will make recommendations to the Associated Students Board of Directors.

- 3) This group also has strong decision making responsibilities. FCS is tasked with allocating the AS Reserve funds called General Repair and Replacing. Additionally we are tasked with prioritizing requests for furniture and small renovations in the Viking Union.

### Funding Requests
