WinWin MOU

2015-16 Win Win grant expenditure summary

Background & Context

This is an official request for carry-over of the remaining Win Win grant funding. Per our contract with Win Win, this grant funding can only be used to fund voter registration, education and activation efforts. The funding is used for paying additional vote staff salaries as well as funding events and supplies so it would be best to keep this funding in the REP admin budget (FXXREP). I am requesting a carry forward of the remaining \$3,862.
