

Charge

The TCCC shall have jurisdiction over teacher education certification programs, and professional preparation programs proposed by certification consortia in which the University participates. The TCCC shall (1) provide interaction among the units of WWU engaged in teacher preparation; (2) take actions to improve relations with agencies outside WWU which relate to teacher preparation and certification; and (3) ensure that actions being considered which might affect courses or programs offered by academic units of WWU are forwarded to those units for review at least one week prior to final action. Failure to do so will void the action.
