Shall all Western Washington University students taking six or more credits on the Bellingham Campus be assessed an Alternative Transportation Fee of up to \$26.25 per quarter with the following minimum conditions:

- A Whatcom Transportation Authority bus pass for every fee paying student.
- A late night student transportation service that would run after WTA service ends. At a minimum this would serve the general campus area.
- If late night service is not offered during summer quarter, students taking summer quarter classes will be charged a reduced fee.
- Staff, assistance, and program operations for the purpose of coordinating alternative transportation for students.
- Fee increases will be limited to a maximum of 5% per year, upon authorization by the Associated Students Board of Directors, increases of more than 5% must be approved by the students through a vote.
- The fee will be for a maximum 5 year term, beginning in Fall 2017 and end by Fall 2022, subject to a student vote for renewal.
