

“Food for ESC Committees”

Proposed Motion:

Sponsor: Aleyda Cervantes

Persons of Contact: Sabrina Houck and Eric Alexander

Guest Speaker: N/A

Date: May 18, 2017

Background & Context

Since last year, the AS VP for Diversity has been trying to find a way to say thank you to the different committees that this position chairs and this year I thought food would be one of the best ways.

Summary of Proposal

Fund from reserves to get food for my committees as a way to thank them.

Fiscal Impacts

I am asking money from reserves since however much we have left from the ESC Steering will go back

If financial impacts occur:

What do you need to happen?

- Transfer \$ _____ from _____ (budget) to _____ (budget).
- Board’s approval to spend \$ ____ 800 _____ from FXXRES and no other steps needed.
-

Alternative Solutions

We could wait until the reconciliations are done, but that will take more time and we need to finish all of the other

Option	Financial Impact of Option	Services or Outcome of Option
A	FXXRES	\$800

Rationale

This year the ESC has had a rough year in terms of building community and because of staff transition, it has been hard to adjust. Nonetheless, the attendance has been great and we need to remember all these students are students at large.
