PUBLIC NOTICE: Board of Directors Summer Trainings

The AS Board of Directors will be taking part in summer trainings on Tuesdays and Thursdays from 2-4pm in VU 460 starting June 22nd and ending August 17th unless otherwise noted. These trainings are open to the public. They are open to the public because the Board will be in quorum, not because they are making any decisions on behalf of ASWWU. These trainings have been developed by the Viking Union staff in conjunction with past AS student employees to support the AS Board of Directors in the learning of their elected positions. Members of the public may attend and are able to listen but typically unable to fully participate as the training sessions are not meant for public discussion.
