ORDER SUMMARY

Terms and Conditions: Hardware carries a one-year warranty unless specified otherwise. Purchase price includes technical support as noted; if parent system is not under support, new products are not under support. Technical support does not cover installation or configuration of covered items on non-ENCO provided and/or out of warranty hardware; this support will be subject to hourly billing. Shipment is FOB Southfield, MI and not included in totals. Applicable tax will be added to final invoice amount. Hardware installation, facility wiring, etc. is expected to be completed in advance of onsite training. Software is non-refundable. Hardware is refundable only for the first thirty days if accompanied by an RMA number and subject to a 20% restocking charge. Onsite expenses and travel time may be billed separately. All non-check/cash payments are subject to a 3% convenience and processing fee. Quote is valid for thirty (30) days from date of issue unless specified otherwise.

Purchase Price:	$13,750.00
Downpayment:	$11,000.00
Terms: 80% Down, 20% Net 30	

I, the undersigned, have read, understand, and accept the terms and conditions contained in this agreement and hereby authorize purchase of the items listed in this quote and represent that I am authorized to bind the organization into this agreement.
