The WHY behind creating the Student Enhancement Fund

Created in May, 2016

The AS President, Belina Seare, wanted to create a fund that would be able to directly use student dollars for students in a highly impactful way.

Enhance Student Experiences

Whether it be for transportation, lodging, registration, and/or per diem expenses, SEF could provide grants to students to attend incredible events.

Provide Student-at-Large Resources

There were many (funding) resources available for AS-affiliated individuals; therefore, SEF would principally serve students in the general population.

THE NUMBERS

Starting Amount

- Initially allocated \$35,000 from reserves
- Requested a rollover of \$9,242.33
- Started with \$44,242.33

Fun Mathematics

- Average: \$261.79
- Median: \$635.07
- Range: \$35.00-\$2,302.48

Applicants Funded

- Funded a total of 169 students
- 124 individuals or two-person groups
- 10 groups of three or more

Ending Amount

- The SEF account currently sits at \$188.33
- This near exhaustion shows great use of the Student Enhancement Fund

THE STUDENTS

Departmental

Since not many departments have money to grant for attending events, SEF served to make those opportunities accessible.

Graduate

In conjunction with the Ross Travel Grant, SEF was able to provide funding for graduate students to present research.

AS Clubs

Some individuals and/or groups were allocated SEF grants, however Activities Council is where they should go first.

AS Employees

Trickiest category; for the Student Development Fund is the more appropriate place to seek funding.
