of the AS Candid Mem, have been confused with Lani. Why I am seeing the importance of this clarification is that it is not only homophobic but anti-black. The confusion of Lani and is homophobic because they are not everyone who is gay is the same. Everything that I am writing is based on my personal experiences with the Black community, its leaders, and the lack of commitment to naming the homophobic/homotransphobic in the Black community. This is anti-black because this anti-blackness is not anti-blackness because many people are not in the same.
