V. ESC Updates

Lojewski mentioned the Budget Authority representative from each club will need to share any large scale events that will happen later in the year with dates and information. With event planning checklists that will not include bake sales as clubs will need permission because of the food policy of Western Washington University with selling food outside of Vendors Row. Many different types of food are able to be sold but clubs will need permits from the health department.

Yesugen Battsengel, Committee Chair, adjourned this meeting at 5:00pm.
