

**A Resolution of the

WHEREAS, Western Washington University informed its students that they intend to extend their 10-year contract with the Aramark Corporation (due to expire on September 1, 2021) through September of 2023. This contract places all dining, large-expenditure catering, supply chain management and other related activity for WWU’s dining system under the sole operation of Aramark; [1] and

WHEREAS, the ASWWU Student Senate and Executive Board are some of the very few recognized voices for all students of the university; and

THAT, the 2020-21 ASWWU Executive Board formally endorses the Shred the Contract Campaign and demands that WWU administration commit to discontinuing WWU's relationship with Aramark upon the expiration of the current contract in 2021.

THAT, if the WWU administration cannot end its extension of the current contract through 2023, the 2020-21 ASWWU Executive Board demands that the WWU administration commits to meeting regularly with ASWWU leadership and Shred the Contract to collaborate on a tangible plan for transitioning to a self-operating dining system - which will be run entirely by the university, rather than a third party - by 2023.

THAT, the 2020-21 ASWWU Executive Board demands that the WWU administration creates more transparent and consistent communication with Shred the Contract, the ASWWU leadership, and WWU students as well as ensuring that communicating does not always fall upon the students and that meetings are not at inaccessible times.

THAT, the 2020-21 ASWWU Executive Board demands that the WWU administration commit to doing everything in their power to ensure that this self-operated dining system preserves the current dining union, rehires all current student and full-time staff, honoring pay rate and seniority, with the exception of those staff who were brought in by the Aramark Corporation.

THAT, the 2020-21 ASWWU Executive Board demands that the WWU administration fulfills BSO demands twelve and seventeen [3]. In addition, the 2020-21 ASWWU Executive Board demands that the WWU administration honors the Real Food Campus Commitment, Sustainability Action Plan, and 2018-25 Mission & Strategic Plan.
