II. Revisions to the Agenda

- Daniela will talk about ESC clubs and pictures for WIN.
- Delfine wants to talk about Asian Pacific Islander and Desi American heritage month and a collaboration with other clubs.

IV. Information Items

- Chelsea said there are links that have gone out for WILD so people can sign up. There will be an info session on Wednesday from 5-7 PM in VU 462. It will also be on Zoom.

- Naira checked in with clubs and asked them if they had a chance to check in with the clubs about student needs.
- Annalyn asked how to have a heritage dinner and the steps to do so because it has been hard to have one in the pandemic.
- Daniela said that that information will be provided in BAP meetings. She stated there is a spreadsheet where they can put the date of when they want to have a heritage dinner and it will calculate the date things needed to be submitted by.
- Chelsea asked why the BAP meetings is difficult for club board members to attend. She said to reach out in their board meetings if they know that no one has been attending the BAP meetings from their club.
- Daniela stated that someone reached out to them about a WIN promotion collaboration. They want to put a banner up in the VU. The WIN promotion promotes active clubs in the university and community. She said they can accept more pictures by Wednesday. If they want to put picture on the poster, they can send it to her via Instagram.
- Delfine said there is collaboration between WWU and other schools for Asian Pacific Islander and Desi American heritage month. They are hoping to bring in legislature that identify as Pacific Islander or Desi and have a panel conversation. She asked the student organizations in ESC if they would like to be involved in what is talked about.
- The council agreed to have hybrid meetings for the rest of the quarter.
