IV. INFORMATION ITEMS – GUESTS

a. ATF Referendum Language – Wagner, Trinkaus, and Detke presented the Proposed ATF Referendum Language and the changes made on it.

b. EAC Updates – Keara Ryan explained that the Elections Code and Policies through the Elections Advisory Committee. She said that in Article III of the elections code it says that in order to run for Executive Board or Student Senate, someone must be a WWU Bellingham Campus student taking at least 6 credits if an undergraduate student and 4 credits as a graduate student. The Committee would like to hear the Board’s opinion on opening it up to satellite campus students rather than only Bellingham campus students, as well as potentially get in contact with the satellite campus students through the Board if there are connections. Glory said that the Board does not currently have ties to those campuses but have discussed the lack of representation and gauging interest in having monthly meetings with students from those campuses. Wagner agreed that she would like those students to be represented more and asked what that representation would look like in the Committees potential plans and logistics of students knowing what is going on at other campuses besides their own. Ryan said that meeting online had opened up the feasibility of someone from another campus participating. She said that there are some fees only for main campus students and how that may impact who can make decisions. Glory suggested talking to the registrar’s office about students’ feelings on taking classes at other locations.

c. Committee Council Charge and Charter – Glory presented the changes to Committee Council Charge and Charter. DeFrank suggested changing the expiration date to 2023 and considering an out of session process.
