## AS Employee Development Fund

Your AS Position:

AS Club Finance Coordinator

Event name:

ACUI Regional Conference

Event dates:

November 13-15

Event location (city & state):

University of Oregon, Eugene OR

When do you need funds by (mm/dd/yyyy)?

10/07/2022

Have you spoken with your advisor and/or supervisor about this request?

Yes

If yes, does your supervisor approve of this opportunity?

Yes

How will this opportunity contribute to your professional development in your AS role?

Please provide a paragraph response.

This opportunity will help me learn more about how to improve the campus community here at Western Washington University through the knowledge of figures who specializes in this field and are advocates for it. Participating in workshops, and listening to speakers advocate for student involvement, can further my knowledge of what I can do with my position for other students to experience their campus life to the fullest.

How will you use this experience to improve the AS?

Please provide a paragraph response.

As my position entitles helping clubs fund their events and help approve grants and loans to clubs, I know the budget we have to offer students and hope that through this experience I can get help to ensure that clubs are able to use those funds. Due to the pandemic, clubs have not been using the money that is offered to them due to the lack of knowledge and trying to adapt back to the ways they used to be. I hope that I can learn how to better advocate for students and make sure that they know that there is money for them to spend so they don't hold back from their ideas within their clubs.

Please download and complete [this budget sheet](#). Then upload it here.
